LETTER OF SUBMITTAL

DEPARTMENT OF COMMERCE,
BUREAU OF FOREIGN AND DOMESTIC COMMERCE,
Washington, November 13, 1937.

Sir: I have the honor to submit herewith for publication the fiftyninth issue of the Statistical Abstract of the United States. This annual volume is a summary of authoritative statistics showing the trends in trade and industry as well as social progress and is a convenient reference work for business men, economists, statisticians,

and students.

The present volume has been prepared in the Division of Economic Research under the editorship of Martha Hunter and the administrative direction of Roy G. Blakey, former chief of the division, and M. Joseph Meehan, assistant chief of the division. The volume represents a digest of data collected by all statistical agencies of the National Government, as well as those of a considerable number of private agencies and several States. Many of these offices and agencies have been of great assistance in furnishing advance data and also in the actual preparation of the tables used in the Abstract. Special mention in this connection is due the following offices of the Federal Government: The Bureau of the Census and the Bureau of Fisheries of the Department of Commerce; the Bureau of Agricultural Economics and the Weather Bureau of the Department of Agriculture; the Immigration and Naturalization Service and the Bureau of Labor Statistics of the Department of Labor: the Office of Education, the General Land Office, and the Bureau of Mines of the Department of the Interior; the Statistical Section of the Income Tax Unit of the Treasury Department; the Veterans' Administration; the Interstate Commerce Commission; the Board of Governors of the Federal Reserve System; the Farm Credit Administration; and the Social Security Board.

Current data for many of the statistical series carried in the Statistical Abstract are published monthly in the Survey of Current

Business, another publication of this Bureau.

Respectfully,

ALEXANDER V. Dye, Director.

To Hon. Daniel C. Roper, Secretary of Commerce.
